

Symbolic Certificate CO2 Compensation

It is confirmed by ACT Commodities that:

Hogeschool Leiden

has offsetted 1,434 Tonnes of CO2 Equivalent for the compensation of the CO2 footprint of the activities performed by Hogeschool Leiden.

The CO2 Compensation was achieved by CO2 reduction in the „Guanaré Reforestation“ project in Uruguay (#959).

A blue ink handwritten signature, appearing to be 'Jaap Janssen', written over a horizontal line.
